OBJECTIVE

Every design is a chance to make a statement, to evoke a feeling, and to communicate an idea. That's why I pay careful and deliberate attention to symbolism, patterns, and intention when creating designs for clients. No project is too small for impact, and no design is too big for enduring relevance. I am driven to deliver your brands message through my designs so I know I must put in my best effort.

EXPERIENCE

CMYK Prints

05/10/2020 - 23/02/2021

Graphic designer

After completing my education at Bafuto institute of Management and Information Technology, I secured a job as a graphic designer at CMYK in Lagos Nigeria. My tasks were:- Designing series of banners and flyers for clients, Designing logos, we've worked with brands like; DANGOTE, CELIO, COLGATE, PUMA and many more under their various branches.
